Section 1 – Bid Overview

1. Property Overview

The Houston Community College System ("HCCS" or "College") is interested in soliciting bids for the sale of three (3) tracts of land, in whole or parts, totaling approximately 30.9439 acres, as more particularly described in Exhibit A ("Property"). The Property is physically located on 1550 Foxlake Drive, Houston, Harris County, TX 77084, and is located at the southeast corner of Park Row and Foxlake Drive in the City of Houston, Harris County, Texas.

Tract I, a 5.1533 acre parcel located at the intersection of Park Row and Fox Lake Drive in West Houston, is improved with a three-story office building and attendant parking used as a college campus ("Office Building Tract"). The office building contains 110,471 square feet of net rentable area and was constructed in 1983. At the time HCC purchased the Office Building Tract, the subject was a Class B atrium office building. After purchase, HCC converted the subject into a school/university with office space and classroom space.

The Property also contains two other parcels totaling approximately 25.791 acres of unimproved land ("Tracts II & III") located just east and south of the Office Building Tract. Tracts II & III are partially improved with asphalt-paved parking lots and detention basins.

The Property is being sold by bid in accordance with applicable statutes by which governmental entities may sell real property. HCCS intends to sell the entire Property and will not consider an arrangement by which it retains any interest in the Property, participates in any development of the Property, or otherwise has any post-closing obligations. The College will not consider financing the purchase of the Property and will accept only cash or other good funds at closing.

Should a closing occur prior to March 2022, the College may enter into a short-term lease back of the Office Building Tract through the end of April or May 2022. Prospective bidders will include proposed terms for the leaseback in its Bid Response.

2. Restrictions on Property and Sale

The Property also is subject to restrictive covenants and other encumbrances as described in the Title Commitment (as hereinafter defined) and instruments recorded in the Official Records of Harris County, Texas.

The Property will be conveyed by the College subject to all matters filed of record in the real property records of Harris County, Texas except for any that may be cured by the prospective buyer or agreed to be cured by HCCS prior to Closing as set forth in the Contract that may be awarded under this IFB. For purposes of this IFB, the term "Contract" as used herein means the Purchase and Sale Contract in substantially the same form as attached to this IFB as Attachment 2 ("Contract") to be signed by the bidder as part of his/her/its Bid Response and may be countersigned by HCCS if the bid is accepted by the HCCS Board of Trustees.

3. Title Commitment; Survey; Reports

The College has obtained a title commitment for the Property issued by Stewart Title Company on May 27, 2021 under File No. 21000330688 and underwritten by Stewart Title Company ("Title Commitment"). Upon request, HCC through the College's Broker will make a copy available to any

prospective buyers.

The College also has a survey of the Property prepared by prepared by Gerald E. Munger, R.P.L.S. No. 3438 ("Surveyor"), Terracon Group and dated June 21, 2005. ("Survey"). Upon request, the College's Broker will provide a copy of the Survey to any prospective buyers. The selected bidder, if any, may obtain an updated Survey or new survey ("New Survey") of the Property at Buyer's sole expense, and must provide the updated Survey or New Survey to HCCS within thirty (30) days of the Effective Date of the Contract. HCCS shall have the right to request revisions to and/or object to the updated Survey or New Survey, including the geometry of the boundaries of Property.

The College has obtained a Phase I environmental site assessment for the Property prepared by Terracon Consultants, Inc. and dated June 1, 2021 ("Report"). Upon request, HCC, through its Broker, will make a copy of the Report available to prospective bidders.

The Title Commitment, Surveys, and Report (collectively "Deliverables") were prepared by third parties and the College does not warrant the contents of such Deliverables but makes them available to interested prospective bidders for information only.

Buyer shall have a right to object to the Title Commitment and Survey or New Survey as set forth in the Contract. If Buyer so elects, he/she/it may purchase a title policy ("Title Policy") under the Title Commitment at Buyer's sole expense.

4. "As Is Sale" Disclaimer of Warranties

THE PROPERTY WILL BE SOLD IN AS-IS, WHERE-IS CONDITION AND HCCS MAKES NO AND SPECIFICALLY DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES ABOUT THE PROPERTY. The Contract and deed will contain an "as is" clause and disclaimer of all warranties except for the limited warranty of title. The information contained in this IFB and any documents from HCCS or any third party provided as a part of this IFB, including the Deliverables, are based upon data supplied by sources deemed reliable but may be subject to errors and omissions and are not in any way warranted by HCCS or any employee or agent of HCCS.

5. Inspection Period Under Contract

The selected bidder, if any, ("Buyer") who is awarded the Contract will be provided with a **ninety (90) day due diligence period**, commencing on the Effective Date (as defined in the Contract) of the Contract, which is the date a copy of the Contract countersigned by HCCS is received by the Title Company ("Inspection Period"). During the Inspection Period and subject to the requirements and any limitations set forth in the Contract, the Buyer may conduct its inspection and due diligence on the Property at the Buyer's sole cost and expense. If the Buyer discovers an environmental or otherwise discovers an encumbrance or condition of the Property that renders the Property unusable for the Buyer's purpose, the Buyer may terminate the Contract during this Inspection Period and except for the independent consideration fee of one thousand dollars (\$1,000.00), which fee is for the right of termination of the Contract as further described in the Contract ("Independent Consideration"), and subject to the terms of the Contract, receive a refund of his/her/its Earnest Money (as hereinafter defined) deposit.

6. IFB Not an Offer; Contract Approval Required

THIS IFB CONSTITUTES AN INVITATION FOR BIDS ONLY, WHICH MAY OR MAY NOT RESULT IN A SALE OR CONTRACT TO SELL AND DOES NOT SERVE AS A LEGAL OFFER BY HCCS UNDER CONTRACT LAW. THE SUBMISSION OF A BID TO THE COLLEGE CONSTITUTES AN OFFER TO PURCHASE THE PROPERTY THAT THE HOUSTON COMMUNITY COLLEGE SYSTEM MAY OR MAY NOT ACCEPT. THE BID INVITATION AND THE RESPONSE SUBMITTED TO HCCS PURSUANT TO THIS IFB MAY CREATE LEGAL OBLIGATIONS ON THE BIDDER. A BIDDER IS ADVISED TO HAVE AN ATTORNEY REVIEW THIS IFB, INCLUDING ATTACHMENTS, THE CONTRACT, AND THE BIDDER'S OFFER/RESPONSE TO ADVISE THE BIDDER AS TO THE EFFECTS THEREOF.

This IFB does not obligate HCCS to award a contract or pay any costs incurred by a prospective buyer or bidder in the preparation and submittal of a bid. **If a bid is eligible (see Section 13 of this IFB), the bidder, bid, and the resulting Contract, if any, will be submitted for consideration and approval to the HCCS Board of Trustees ("Board").** HCCS reserves the right to amend any terms of a resulting Contract, if any, (other than the bidder and the purchase price bid). NO CONTRACT SHALL BE ENFORCEABLE AGAINST HCCS UNLESS IT IS ON THE FORM OF ATTACHMENT 2 TO THIS IFB, SIGNED BY BOTH HCCS AND THE BIDDER, AND APPROVED BY THE BOARD AT A DULY CALLED MEETING. Subsequent to Board approval, the only person authorized to commit HCCS contractually is the Chancellor or his designee.

7. Waiver

BY SUBMITTING A BID OR OFFER, BIDDER AGREES TO AND DOES HEREBY WAIVE ANY AND ALL CLAIMS IT HAS OR MAY HAVE AGAINST HOUSTON COMMUNITY COLLEGE SYSTEM, AND ITS TRUSTEES, EMPLOYEES, OR AGENTS ARISING OUT OF OR IN CONNECTION WITH (1) THE ADMINISTRATION, EVALUATION, OR RECOMMENDATION OF ANY BID OR OFFER; (2) ANY REQUIREMENTS UNDER THE SOLICITATION, INVITATION TO BID PACKAGE, OR RELATED DOCUMENTS; (3) THE REJECTION OF ANY BID OR ANY PART OF ANY BID OR OFFER; (4) WAIVER BY THE HOUSTON COMMUNITY COLLEGE SYSTEM OF ANY NON-MATERIAL BID DEFECT OR TECHNICALITIES IN THE BID PACKAGE OR ANY BID OR OFFER; (5) WAIVER OR CHANGE IN ANY NON-MATERIAL PROVISION OF THE SOLICITATION PACKAGE OR MATERIALS THAT DO NOT ADVERSELY AND SPECIFICALLY AFFECT THE PREVIOUSLY SUBMITTED BIDS OR OFFERS; (6) WAIVER BY HOUSTON COMMUNITY COLLEGE SYSTEM OF ANY IRREGULARITY OR IRREGULARITIES IN THE BIDDING PROCESS; AND/OR (7) THE AWARD OF OR FAILURE TO AWARD A CONTRACT, IF ANY.

8. Right of Withdrawal of IFB

THE HOUSTON COMMUNITY COLLEGE SYSTEM RESERVES THE RIGHT TO WITHDRAW THIS IFB AND THE PROPERTY FROM SALE AT ANY TIME AND FOR ANY REASON DEEMED ADVISABLE BY HCCS.

9. Amendments to the IFB; Questions regarding the IFB

HCCS reserves the right to issue such clarifications, modifications, and / or amendments to this IFB as deemed appropriate. If and when any part of this IFB is to be revised, amended, corrected, extended, withdrawn, or changed in a manner that impacts the process or the outcome, the HCCS Procurement Operations Department will issue an amendment addressing the nature of the change. These changes will be numbered and posted to the HCCS Procurement Department website at <http://www.hccs.edu/about-hcc/procurement/>.

It is the sole responsibility of the bidder to routinely check the HCCS Procurement Operations website and verify issuance of amendments and/or responses to questions or interpretations of the IFB and to ensure receipt thereof. Todd.Casper@cbre.com

If the question(s) relates to information about the IFB, any attachments to this IFB, the process, the Contract, or the Property, the bidder MUST submit the question in writing no later than as indicated on solicitation schedule above. HCCS will issues responses to the questions submitted in the form of an amendment or addendum posted to the HCCS Procurement Operations Website.

- [3] Between any Trustee and administrator or employee.

The communications prohibition shall be imposed from the day the solicitation is first advertised through thirty (30) days after the Contract is executed by the Chancellor or his/her designee, or when a determination is made that the Contract will not be awarded. During this period, no HCCS Trustee and no bidder, vendor, subcontractor to vendor, service provider, respondent, bidder, offeror, lobbyist, consultant, or any agent of the bidder shall communicate in any way concerning any pending IFB involving the bidder or bidder representative, subject to the penalties stated herein.

In the event the Board refers the recommendation back to the staff for reconsideration, the communication prohibition shall be re-imposed.

ALL COMMUNICATIONS REGARDING THIS IFB SHALL ONLY BE BETWEEN THE PROSPECTIVE BIDDER OR HIS/HER/ITS AGENT AND EITHER THE HCCS SENIOR BUYER SET FORTH ON PAGE ONE OF THIS IFB OR THE BROKER SET FORTH ON PAGE TWO OF THIS IFB. PROSPECTIVE BIDDERS SHALL NOT COMMUNICATE WITH ANY OTHER PERSON AT HCCS, INCLUDING ANY ADMINISTRATOR OR THE GENERAL COUNSEL'S OFFICE, REGARDING THIS IFB OR THE BIDDERS' RESPONSE.

The communications prohibition shall not apply to the following:

Any potential bidder, vendor, subcontractor to vendor, service provider, respondent, bidder, offeror, lobbyist, consultant, or any agent of the bidder who engages or attempts to engage in prohibited communications shall not be eligible for the award of any resulting Contract under this IFB. Any other direct or indirect actions taken to unduly influence competitive purposes, to

12. Texas Public Information Act

During the course of the selection process, the bids submitted by prospective buyers are excepted from disclosure to the public under the Texas Public Information Act. However, upon the award of a Contract, if any, the bids and all information submitted to the College will become a public record; and therefore, subject to disclosure to any person who makes a proper request for review of the documents. If a bidder believes that any information that it intends to include in its bid would contain commercial or other information that is privileged or confidential by statute or that the bidder believes may cause substantial competitive harm to the bidder's business if disclosed by the College to a third-party even after the award, the bidder should mark that in its bid and the bidder may be entitled to protect this information at the time the request is made for disclosure. However, HCCS cannot guarantee that any such information is protected from disclosure and the bidder would need to consult with its legal counsel to assure that this kind of information would be protected from disclosure. Wholesale marking of the entire bid as "Confidential" or "Proprietary" will not be effective.

If a bidder is awarded a Contract, the bidder must have adequate financial resources to purchase the Property at Closing (as defined in the Contract) or will have obtained such resources prior to closing under the Contract. The College will not consider financing the purchase of the Property and will accept only cash or other good funds at Closing (cashier's check or wired funds).

All **Required Forms** must be timely submitted (see below)

Review of Bid Responses. All Bid Responses will be reviewed to determine conformity with the bid requirements. Conforming Bid Responses will be evaluated with the highest bidder(s) being required to complete and sign the Required Forms (see below), Required Forms) prior to any consideration by the Board of Trustees. No final determination of the winning bid will be made until a thorough review of all bids is conducted and completed and all other conditions, including submission of the Required Forms for the proposed awardee reviewed. The final selection of the highest bidder who has submitted an eligible bid and satisfied all the conditions in this IFB (including submission of the Required Forms upon request) will be subject to approval by the College's Board of Trustees.

Waiver of Minor, Non-Material Technicalities. Notwithstanding anything contained in this IFB, HCCS reserves the right to waive minor, non-material technicalities in a Bid Response so long as such technicality does not relate to the amount of the Purchase Price bid or the terms of the Contract, and does not put any other bidder at a disadvantage or otherwise adversely affect the bid process.

Best and Final Offer. In the event that HCCS elects to request a best and final offer (see Section 17), it will notify the top bidders (up to a maximum of 5 bidders) in writing, request those bidders to submit their best and final offer and provide a deadline for such offers. The bidder's best and final offer must be submitted on forms required by HCCS in its request for best and final offer notice.

Required Forms. Prior to taking the recommended offer to the Board of Trustees for consideration, HCCS will require the highest eligible bidder to **complete, sign, and submit the following forms** to the HCCS Procurement Operations Department:

1. Conflict of Interest Questionnaire (See Attachment 3) completed and signed.

2. Felony Conviction Notice (See Attachment 4), completed with the appropriate box or boxes marked and information given and signed.
3. Non-Collusion Affidavit (See Attachment 5) completed and signed.
4. A completed and signed Form 1295 (Certificate of Interested Parties). The instructions for completing the 1295 form are set forth in Attachment 6. The bidder will be required to electronically complete and sign a 1295 form on the Texas Ethics Commission website, print out the form, and deliver a copy of the form to the HCCS Procurement Operations Department.

The forms described above, the forms of which are contained in Attachment 3 through 6 are referred to in this IFB as “Required Forms.”

If HCCS requests a bidder to complete and sign the Required Forms, the bidder must submit such completed and signed Required Forms to HCCS within **forty-eight (48) hours** from the date HCCS notified the bidder of the need for the Required Forms. If the bidder fails to submit the completed and signed Required Forms to HCCS within the 48 hours or if the bidder’s completed and signed Required Forms evidence that the bidder has a felony conviction or contain other information that indicates an issue permitting or requiring HCCS to reject the bidder, HCCS will deem that Bid Response ineligible and request the second highest bidder to complete the Required Forms with the process continuing until the bidder with the highest eligible bid shows no felony conviction or other evidence of an issue that would require or permit HCCS to reject the bidder. If HCCS requests the next highest bidder to complete the forms, that bidder must return the signed and completed Required Forms to HCCS within **forty-eight (48) hours** from the date HCCS notified the bidder of the need for the Required Forms.

Board Approval. The HCCS administration will make a recommendation to the HCCS Board of Trustees based on the highest eligible bid that meets selection criteria described in this Section 14 and has met all the conditions set forth herein. The HCCS Board of Trustees will determine whether to award a Contract under this IFB.

Award of Contract Selection Criteria. The Contract, if awarded, will be made to the bidder with the highest bid (Purchase Price amount for the Property) whose Bid Response is in compliance with the requirements set forth in this IFB and not determined to be ineligible (as described in this Section 14), the Required Forms have been submitted and disclose no information that would eliminate the bidder from consideration, all other conditions set forth in this IFB have been met, and the bid amount is acceptable to HCCS. In the event that HCCS receives two or more equal bids, HCCS reserves the right to “break the tie” among the bidders by considering other factors in determining best offer, including, but not limited to, a calculation of potential future tax revenues on the Property, the use to which the Buyer will put the Property, and whether the use of the Property will result in the Property benefitting HCCS and the local community.

Disposition of Earnest Money and Independent Consideration. If the Bid Response of a bidder is accepted and a Contract is awarded that bidder, HCCS will deposit the cashier’s check for the Earnest Money to be applied toward the Purchase Price at Closing and will retain the Independent Consideration. If the Bid Response is not accepted, HCCS will notify the bidder(s) that its/their

bid(s) was/were not accepted and inform the bidder(s) regarding the process for return the bidder's cashier check(s) for the Earnest Money and Independent Consideration.

15. Non-Discrimination

HCCS is an equal opportunity/educational institution, which does not discriminate on the basis of race, color, religion, national origin, gender, age or disability.

16. Rejection of Bids

HCCS RESERVES THE RIGHT TO REJECT ANY OR ALL BIDS.

17. Notification to Bidders

HCCS will notify all bidders via electronic mail or U.S. Mail within ten (10) business days of the receipt of Bid Responses as to whether the College will request the bidder to submit a best and final offer. HCCS will notify all bidders via electronic mail or U.S. Mail within ten (10) business days of the date of the meeting at which the Board of Trustees considered the Bid Responses as to the status of the bidder's Bid Response.

18. General Conditions

Any change to the Contract proposed by a bidder must be noted on the Bid Response Form (Attachment 1). HCCS may accept or reject any proposed change. Additionally, no substantive changes will be accepted to the Contract unless such changes that may be requested by the bidder are included in the Bid Response, received by HCCS on or before the Bid Deadline, agreed upon by HCCS, and ultimately reduced to writing and signed by both the College and the bidder. Changes to the Contract agreed upon by HCCS will be in the form of an amendment to the Contract. Notwithstanding the foregoing, after acceptance of the bid and execution of the Contract by HCCS, the parties may agree to any non-substantive changes to the Contract as long as such changes would not affect the material terms of the Bid Response and Contract or reflect any unfair advantage to one bidder over another. No oral statements or verbal acknowledgement of the award to a particular bidder shall create a contractual obligation on the part of the College. Any contract between the College and a successful bidder must be in writing and signed by both the College and the selected bidder.

Form 1295 Instructions

Texas Government Code Section 2252.908 requires any business entity that enters into a contract with a governmental entity, like a public community college, to file a Form 1295 naming the people with a controlling interest in the business entity. While the law was designed more for procurement and vendors, the statute applies to any contract which requires Board approval, which would include this Sale and Purchase Contract. The statute also includes disclosing the **controlling interests** of intermediaries like brokers, attorneys, and law firms who assisted in the negotiation of the contract. A controlling interest in the business is anyone with a 10% ownership interest, board members if the board has 10 or fewer members, and officers (if four or fewer officers) or the four most highly compensated officers (if the business has more than four officers) – their names must be listed on the form. So the **Seller** and the **Seller's attorney** and **broker**, if any, will have to complete the process (naming everyone with a controlling interest in the form). This form does not apply to publicly traded business entity (if this exception is applicable to the entity contracting with the governmental entity, submit a signed statement that the 1295 Disclosure Form is not applicable and the reason).

The process for filing the 1295 form is as follows: (1) go online to the Texas Ethics Commission's website at the link below; (2) fill out and submit the form electronically to the Ethics Commission (it will request that the entity enters an identification number, which should be the IFB number, and a description of the nature of the contract, so the College can use the same number in tracking the status of the filing with the Ethics Commission); and (3) print out the completed form, sign and notarize it, and send the signed/notarized form to the College. Once the College receives the form, they will then go online to the Ethics Commission's website and certify that they received the form.

THE OFFERING

CBRE, as exclusive agent of the Houston Community College System (“HCCS”), is interested in soliciting bids for the sale of three (3) tracts of land totaling 30.94 acres. The Offering can be acquired in total or in separate transactions for various tracts. The Property (or Properties) are physically located at 1550 Foxlake Drive, Houston, Harris County, TX 77084, and is located at the southeast corner of Park Row and Foxlake Drive.

Tract I, a 5.15-acre parcel located at the intersection of Park Row and Foxlake Drive, is improved with a three-story office building used as a college campus until HCCS relocates to their new campus in the spring of 2022. The office building contains 110,471 square feet of net rentable area and was constructed in 1983. At the time HCCS purchased the office building, it was known as Westgate Atrium Office Building. The Property or Properties are being sold by bid in accordance with the applicable statutes by which governmental entities may sell real property. HCCS intends to sell the entire Property or Properties, and will not consider an arrangement by which it retains an interest in the Property, participates in the development of the Property, or otherwise has any post-closing obligations. HCCS will not consider financing the purchase of the Property and will accept only cash or other good funds at closing.

PREMIER DESTINATION FOR BUSINESS AND RESIDENTS

One of the nation's premier commercial centers and Houston's second-largest employment hub, the Energy Corridor is home to global energy, engineering and technology companies along with an expanding financial services and medical presence. Its first-class hotels, popular dining and destination retail shops, highly desirable residential neighborhoods, and some of the region's top-rated school districts make the Energy Corridor a great place to live, work and play.

EDUCATION & HEALTHCARE PRESENCE

The University of Houston and many of Houston's largest hospitals have established and/or expanded their presence in the Energy Corridor, adding critical higher education and healthcare services to the rapidly growing area. The four institutions profiled below have invested nearly \$1 billion along a 4.5-mile stretch of I-10.

TEXAS CHILDREN'S HOSPITAL – WEST CAMPUS

- Texas Children's was the first major hospital to establish a presence in the Energy Corridor.
- Completed in 2010, the first suburban hospital dedicated to children is located at the northwest corner of I-10 and Barker Cypress Road.
- The more than 550,000-square-foot facility is located on 55 acres with two operating rooms and 48 patient beds.
- The West Campus includes 26 beds in a dedicated pediatric emergency center available 24/7.

UNIVERSITY OF HOUSTON AT KATY

- The 80,000-square-foot facility features state-of-the-art labs and studios for students pursuing studies with the UH College of Nursing and the UH Cullen College of Engineering.
- Located on 46 acres at the northeast corner of I-10 and the Grand Parkway, the campus opened for the Fall 2019 semester.

Houston Methodist - West Hospital

HOUSTON METHODIST – WEST HOSPITAL

- Methodist System's fifth hospital in Houston serves patients from West Houston, Katy and surrounding communities.
- Expansions totaling \$170 million were completed at the campus, which offers nearly 200 beds and is located west of Texas Children's West Campus along I-10.
- The project included a new six-story building with additional hospital beds, operating rooms, more space for imaging, an expanded emergency department, and a new parking garage.
- The campus is adjacent to Texas Children's campus. It includes hospitals completed in 2010 and 2017 along with several medical office buildings.

MD ANDERSON - WEST HOUSTON

- Part of the renowned University of Texas MD Anderson Cancer Center network, MD Anderson's West Houston campus serves residents in Katy and across the Energy Corridor and Memorial.
- A 260,000-square-foot medical office building was completed in 2019. In addition to this \$78-million facility, MD Anderson leases 38,000 square feet in the Energy Corridor for its diagnostic and imaging center.
- The facility is located on more than 20 acres along the north side of I-10.

DIRECT ACCESS TO HOUSTON'S PRIMARY THOROUGHFARES

Energy Corridor businesses and residents benefit from superior regional access to Houston's well-developed transportation network. Strategically positioned along the Katy Freeway (I-10), this convenient location reduces commute times and puts more productive hours in each day.

- The stretch from downtown Houston to its western suburb of Katy has up to 26 lanes at Beltway 8 and is one of the widest freeways in the world.

- Approximately 300,000 vehicles daily traverse I-10 (Katy Freeway).
- Sam Houston Tollway, also known as Beltway 8, it forms an 88-mile loop around Houston.
- Provides access to the Westchase District to the south and the expanding communities to the northwest.
- Links the Energy Corridor to George Bush Intercontinental Airport and Houston Hobby Airport.

- Traverses north-south through the western portion of the Energy Corridor.
- Connects US-290 and SH 249 in Northwest Houston and major thoroughfares including Memorial Drive, Westheimer Road and the Westpark Tollway to the south.

- Will become Houston's third outer loop highway and the longest beltway in the U.S. when complete.
- Has significantly enhanced access between the Energy Corridor and Northwest Houston.

- Limited-access toll road that originates one block west of Interstate Loop 610 in the Galleria and traverses 20 miles to the west to Grand Parkway (SH 99).
- Along its route, this east-west corridor connects SH 6, Beltway 8, US-59, and the Galleria area.

- George Bush Intercontinental Airport: One of the world's busiest airports serving 43.5 million passengers each year. Easily accessible from the Energy Corridor.
- Houston Hobby Airport: Primarily served by low-cost air carriers with over 55 domestic and international destinations transporting 14.5 million passengers annually.
